The Minnesota Family Investment Program (MFIP) Consolidated Fund Act and the Vulnerable Children and Adult Services Act (VCAA) Consolidated Fund [Minnesota Statutes 256J.626 and 256M, respectively] requires counties to submit a biennial service agreement to the Minnesota Department of Human Services (DHS) to receive these public funds.

The primary purpose of the Biennial Service Agreement is to establish agreed upon outcomes and identify strategies counties will use to achieve these outcomes. The agreement also provides the State with a county needs statement for populations who may be served with funds covered under the agreement and a county budget for expenditures of those funds. The review and comment period will end on Friday, October 14, 2011.

We ask that questions and comments concerning these plans be submitted in writing by sending an e-mail to front@co.grant.mn.us or by sending a letter to:
